

ARMENIAN RUGS SOCIETY

2011 Membership Form

website: armenianrugssociety.com email: info@armenianrugssociety.com

The ARS promotes interest in Armenian rugs and textiles, inscribed and un-inscribed, in many ways. Some of you are familiar with exhibitions and symposia such as *PASSAGES: Celebrating Rites of Passage in Inscribed Armenian Rugs*, held in San Francisco in 2002, and the catalogue which we published at the same time. At present, we are working with Vahram Tatikyan to produce an English translation of his important book, *Ancestral Carpets of Karabagh*.

When we turn the pages of *Hali* magazine and other publications and see references to "Armenian rugs" when only a few years ago such rugs would have been described as "Caucasian," we feel that the Armenian Rugs Society has made a difference.

We encourage new members, so please consider joining us in this important work.

Sincerely,

Joseph Bezdjian, President
